

ACCOMMODATION – BROOKLANDS OF MORNINGTON

Nestled amongst 3 acres of stunning landscaped gardens, this multi award winning property beautifully combines the charm of an historical homestead (circa 1878) and the highest quality modern accommodation. We are sure you will love the resort style surroundings, and if you don't get enough exercise dancing you can take a swim in the heated pool or work out in the gym!
We are pleased to present our dancers with this level of quality accommodation and are sure this facility will match our aims of a wonderful weekend away. The Mornington Peninsula is the most popular informal recreational area in Victoria often described as Melbourne's playground located just over an hour by car from the city.
